AN EGREGIOUS ERROR. In alluding to the birthday of our distinguished townsman, Gen'l Clingman, we stated that the "ladies complimented this occasion," &c. The ladies remembered the General one year ago, and this year the event was celebrated by a parade of the military. While we made a grievous error, yet, Gen'l C says it was not as bad a mistake as putting Hayes in Mr. Tilden's seat, which shows that our townsman is as modest as he is gallant.

A go

COMPETITIVE DRILL. Other engagements prevented our us ual morning visit to the Encampment; consequently we missed what is coneded to be the most interesting of all the lisplay of the drill and movement, the competitive drill, which took place in the either have we information as to where

If the power given the uid he offers to threatened communities is ineffectual, the Legislature winter, by law controls it, and determines the limits of its office. If the power given the uid he offers to threatened communities is ineffectual, the Legislature winter, by law controls it, and determines the limits of its office. If the power given the uid he offers to threatened communities is ineffectual, the Legislature ages the blessings of this ture is responsible; and if too great western republic—humanity's perform if ever called to assist in preserving the integrity of American future ages the blessings of this ture is responsible; and if too great western republic—humanity's perform the uid he offers to threatened communities is ineffectual, the Legislature winter, by law controls it, and determines the limits of its office. If the power given the uid he offers to threatened communities is ineffectual, the Legislature winter, by law controls it, and determines the limits of its office. If the power given the uid he offers to threatened communities is ineffectual, the Legislature ages the blessings of this ture is responsible; and if too great western republic—humanity's perform the uid he offers to threatened communities is ineffectual, the Legislature ages the blessings of this preserving the integrity of American preserving the uid he offers to threatened communities is ineffectual, the uid he offers to the uid he offe it will not be the thult of the organ-ization, but of the law-making pow-er that controls it.

greater progress of our race; my be-lief that there comes a high moral civilization; that the highest attain-The Guard is intended to be much ments of the present are but raw manore than a posse comitatus, or police terials out of which is to be builded force; for when the civil arm hangs nerveless and powerless, it is intended that the Guard should come to the protection of society, and that it bring order, health and peace, out of disorder, disease and license.

There are those who are ready that at present it is but a court of arbitration, to settle the differences of nations without war, will accer be established; but I do that at present it is but a court of arbitration, to settle the differences of nations without war, will accer be established; but I do that at present it is but a court of arbitration.
